Goals/Objectives

Agency Contact: Gary Hamel **Phone Number:** 444-3903

Agency Name: Department of Corrections

Division: Youth Services Division -- Program 5

Program (identify and briefly describe):

The Youth Services Division of the Department of Corrections includes Community Transition Centers, Juvenile Parole, Pine Hills Youth Correctional Facility, Riverside Youth Correctional Facility, Fiscal Specialists, Juvenile Interstate Compact and Juvenile Detention Licensing. The unit encompasses a large geographic area and offers varied services. The unit works cooperatively with other divisions within the Department of Corrections and with other state agencies.

The Division integrates diverse professional activities to develop and implement long and short range plans in the critical service areas of health, mental health, dental services, counseling services, corrections policy, training and staff development, disciplinary hearings, youth movement and grievance response, investigative services, emergency preparedness, safety and security management, management of youth in contracted placements, fiscal services, education, juvenile parole, transition services and juvenile detention licensing.

List a single goal and brief description:

While recognizing that the courts make the final decision on sentencing youth to a correctional facility, the Department of Corrections' goal is that the utilization of re-entry services for juvenile offenders assist in reducing revocations at Pine Hills Youth Correctional Facility.

Describe the performance measures related to this goal:

of youth receiving re-entry services by type of service – baseline and current # of admissions to PHYCF – baseline and current (total admissions)

Recidivism of youth receiving reentry services

Recidivism of youth not receiving reentry services

List significant milestones and target dates to be completed in the 2009 Biennium:

Goal will be maintained throughout the entire 2009 biennium

Describe the current status of the measurements related to the goal:

Measurement for this goal is ongoing
